

Sports R Us

Introduction

Sports R Us is a webservice for sports complex owners and users. Our interface provides a simple way for users to rent spaces and equipment for sport that are suited to their needs.

Complex owners can provide information about the name, contact, location, schedule and provide a brief description of their sports complexes.

Each space within a complex provides information about:

- Coverage
- Floor
- Hourly Prices
- Compatible Sports
- Equipment and equipment price
- Availability
- Rating

Anyone can register and start renting or registering his products right away. Our interface provides for a simples way for users to manage rents and for owners to manage their sports complexes.

The owner of a complex will have access to:

- An equipment management panel where he can control stock and disable equipment for repairs
- A simple way of editing and managing his spaces
- Statistics that help making good decisions
- Realtime control of rents
- A view of every issue report by a user or himself

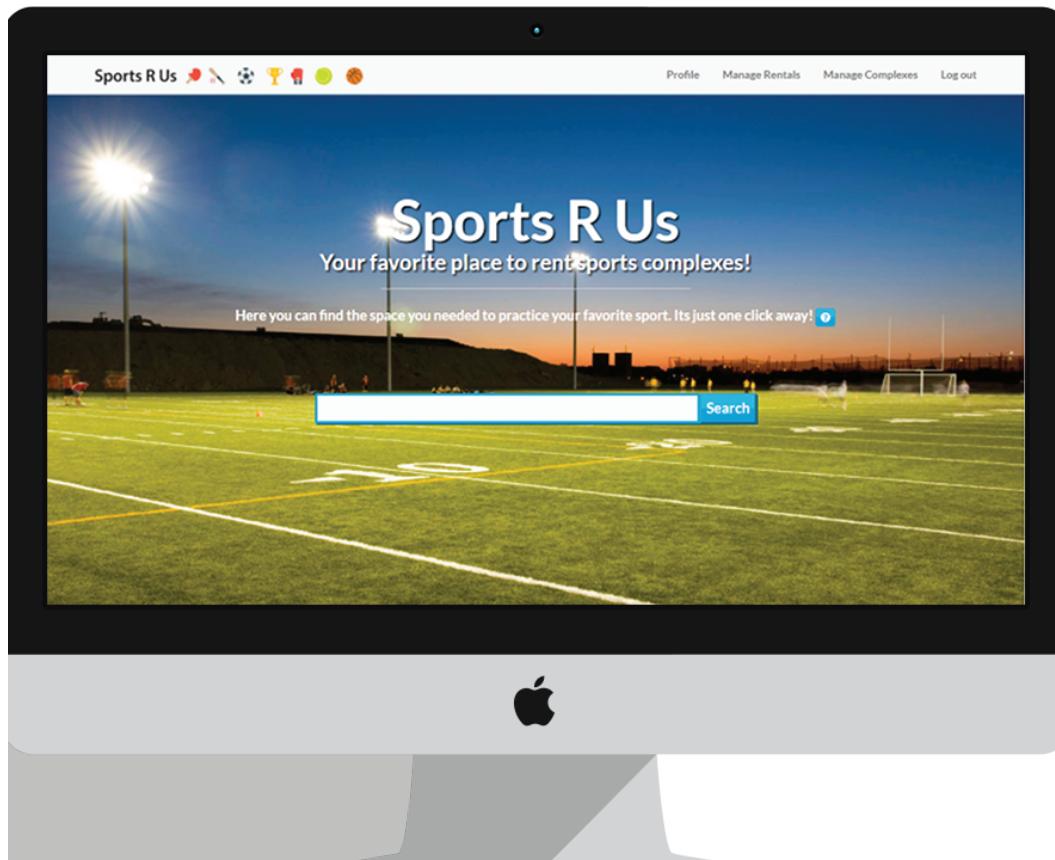

Our ticket system allows any user to report an issue to a complex owner, an admin, or both!
